  13. **ADJOURNMENT**

**WALKER CITY COMMISSION MEETING MINUTES  
CITY COMMISSION CHAMBERS  
4243 REMEMBRANCE RD.  
MAY 10, 2010**

**COMMITTEE OF THE WHOLE**

Mayor VerHeulen called the Committee of the Whole Meeting to order at 7:45 p.m.

The City Commission reviewed the items on the agenda.

**REGULAR COMMISSION MEETING:**

Mayor VerHeulen called the meeting to order at 8:00 p.m.

Commissioner Stek gave the invocation and the Deputy City Clerk called the roll.

Present: Mayor Rob VerHeulen, Commissioners: Al Parent, Charles Deschaine, Barb Holt, Cyndy Stek, Steve Versluis and Dan Kent. Also present: City Manager Vander Meulen and Assistant City Manager Schmalzel. Absent: None.

Motion by Deschaine, seconded by Holt, to approve Commission meeting minutes of 4-26-10. Motion carried unanimously.

**Public Comment:**

Public comment was received from Brian Gorski and Aiman Jarrar , Youth Commission Representatives and Jason Hansen, Community Organizer Kent County Coalition Coordinator regarding the House Party Proposed Ordinance.

Brad Stek, Senior from Calvin Christian was welcomed.

Motion by Versluis, seconded by Kent, to approve the expenditures in the amount of \$336,750.58. Motion carried unanimously.

Motion by Holt, seconded by Kent, to approve the demolition order for 3167 Bristol Rd. Motion carried unanimously.

The Commission requested that another letter be sent to the property owner informing them of the decision that was made regarding the demolition.

Commissioner Deschaine expressed his disappointment with the property owner and his lack of cooperation to keep the property maintained and work with the City to resolve the matter.

Motion by Deschaine, seconded by Versluis, to approve the bid of \$21,650 from ADT Security to replace the current Access Control Security Card Reader System. Motion carried unanimously.

Motion by Parent, seconded by Kent, to approve Resolution 10-142 to reallocate CDBG funds to the Home Repair Services fund. Motion carried unanimously.

Discussion concerning the proposed House Party Ordinance was held. The Commission inquired as to other community's success rate with similar ordinances and fees imposed. Fees can be set by the Commission via a resolution or by the Judge.

Motion by Holt, seconded by Parent, to approve the first reading of ORD 10-584 to add new sections 50-51 and 50-52 to Chapter 50, Article I of the Code of Ordinances, entitled “Offenses and Miscellaneous Provisions.” Motion carried unanimously.

Motion by Versluis, seconded by Parent, to approve first reading of ORD 10-585 to amend Chapter 62, Articles I and II, Sections 62-1 through 62-4, Sections 62-31 through 62-43, and Sections 62-59, and to add a new Section 62-44 to the Code of Ordinances, entitled “Solid Waste.” Motion carried unanimously.

Motion by Holt, seconded by Versluis, to approve the first reading of ORD 10-586 to amend Chapter 82, Articles VI, Section 82-102 of the Code of Ordinances, entitled “Regulation of Public Parking Lots; Tow Away Zones.” Motion carried unanimously.

Discussion was held regarding a reduction in the exemption amount for City Income Tax due to the City of Grand Rapids imposing the same reduction. If the City of Walker’s exemption is a different amount than Grand Rapids, it could cause a great deal of confusion and administrative problems for tax preparers and tax payers. The City of Grand Rapids will be hearing this issue at their next Commission meeting on May 11<sup>th</sup>. This is considered an emergency ordinance because it must be approved 45 days prior to it becoming effective on July 1<sup>st</sup>.

Motion by Versluis, seconded by Stek, to adopt ORD 10-587 to amend Chapter 78, Article II, Section 78-42 of the Code of Ordinances entitled “Uniform City Income Tax Ordinance; Personal Exemptions, Limitations” with the condition that the City of Grand Rapids passes a similar ordinance with the same stipulations effective July 1<sup>st</sup>. Motion carried unanimously.

Public Comment: None.

Motion by Parent, seconded by Holt, to adjourn the meeting. Motion carried unanimously.

Meeting was adjourned at 9:15 p.m.

Respectfully submitted,

Shannon Bales  
Deputy City Clerk

**CITY OF WALKER  
COMMISSION/STAFF MINUTES  
MAY 17, 2010**

Mayor VerHeulen called the meeting to order at 7:00 p.m.

Present: Mayor VerHeulen, Commissioners: Holt, Parent, Versluis, Deschaine, Kent, and Stek.

Also Present: City Manager Vander Meulen and Assistant City Manager Schmalzel.

Absent: None

Scott Conners, City Engineer, was present to review a letter he drafted to MDOT at the request of the Commission. He reported that after speaking with MDOT that have placed Wilson Avenue on their project list for 2014 for minor improvements until a full project can be completed. The Commission requested that Mr. Conners adjust his letter to reflect this new information and submit to MDOT. They also suggested that staff contact the school and MDOT to hold a meeting about the new project and its impact.

The Commission reviewed the Kent County Dispatch Agreement and discussed the impact it will have on the current Walker Dispatch employees.

Motion by Deschaine, second by Parent, to approve the agreement with the condition that the ending date be changed to December 31, 2015. Motion carried unanimously.

The Commission reviewed the Letter of Agreement with the dispatchers. They granted City Manager Vander Meulen permission to sign the letter on their behalf.

The Fire Department Sub Committee submitted a report of findings. The Commission reviewed the report. The non-Committee members of the Commission requested more time to consider the findings. The consensus from the Commission was that staff could proceed with meeting with the Personnel Committee to formulate job titles, descriptions, etc and the Commission would discuss it again at the regular Commission Meeting May 24 2010.

Staff reports were reviewed by the Commission.

Meeting adjourned at 9:30 p.m.

Respectfully submitted,

Shannon Bales  
Deputy City Clerk

City of Walker  
Festival Committee Minutes  
Tuesday, May 11, 2010  
7:00 pm

Members Present: Roxanne Deschaine, Sarah Bydalek, Jennifer Hayes, Reinhard Ludge, Samantha Bruin, Sharon Zuydyk, Anna Rogers, Denise Raap, Elaine Tainter, and Mark Bydalek. Absent: Commissioner Chuck Deschaine.

Motion by Elaine Tainter, seconded by Jennifer Hayes, to approve the Festival Minutes from 4-27-10. Motion carried.

Jennifer is waiting for the Festival Booklet draft from the Grand Rapids Press.

Coopersville JC's will be hosting the Classic Car Show.  
US Army Reserves will be participating at the Festival with many items.  
Walk for a Cause and Bike Rodeo and Bike Parade: Sam is working hard on these items.

Pending Items: Golf Carts from Gracewil, Chemical Bank ATM, Still looking for an Electrician to volunteer some time on Friday night. Finalize signage and banners, finalize list of signs we need from DPW, finalize DPW duties during the festival.

**Volunteers:** Elaine will be working on creating a work schedule for volunteers. We will have a Volunteer Check-in Tent for volunteers to sign in at and pick up their t-shirts. All Committee members are asked to report back with a list of jobs for the volunteers.

We are currently working on getting Festival Staff, and volunteers t-shirts to wear during the event. The Committee agreed to go with B & K Graphics, which will also be present at the Festival as a vendor.

Denise has contacted many local businesses, such as Jimmy Johns, Subway, and Boardwalk Subs to get lunch delivered for our volunteers.

Item to work on: Signage needed from DPW, and jobs that we need DPW staff to do?  
One item: Bring barricades to WIFC for Bike Events, and Barricade 3 on 3 event area.

Next Meeting: Tuesday, May 25<sup>th</sup> at 7:00 pm, and Tuesday, June 1, at 7:00 pm

Sarah Bydalek  
City Clerk

Planning Commission  
Regular Meeting  
Wednesday March 3, 2010  
7:00 p.m.

Members Present: A. Parent, T. Schweitzer, J. Hickey, Chairman; C. Gornowich, T. Byle, D. Brown, and T. Korfhage, M. Huizenga. Absent: C. Rypma. Also Present: F. Wash, Planning Director, and P. Dlouhy, CDD-Planning Asst.

Chairman Hickey opened the meeting and M. Huizenga gave the invocation.

Approval of Minutes – February 3, 2010

Motion by D. Brown, supported by T. Korfhage, to approve the minutes of February 3, 2010 as printed. Motion carried.

General Public Comment

There were no comments at this time.

Standale Downtown District Rezoning Discussion

Planner Wash stated that the City Commission and the DDA had been invited to discuss the Standale Downtown District (SDD) zoning ordinance tonight. Pat Goodale is here as a DDA Member and Al Parent is representing the City Commission. Wash related that this ordinance was adopted in July of 2009. Wash related that the SDD directly implements the “Downtown Standale Master Plan” that was approved in 2007.

In 2009 there was a general agreement among city officials to initiate a city-sponsored rezoning of parcels along M-45 between Wilson and Kinney to the new SDD zoning classification. Wash related that he had worked extensively with the DDA on the ordinance requirements.

Wash related that on March 17, 2009, the city hosted an open house for property owners in the “Downtown Standale” area. The open house explained the draft (at that time) SDD and how it might impact certain properties. Most of the public comments at the open house had to do with special assessment questions and snow plowing.

Wash reviewed a Power Point presentation including options for the planning commission to consider as follows:

1. Should the city wait for businesses to request a rezoning?
2. Should a city-sponsored rezoning be initiated for properties in the “Downtown Standale” district?
3. Should the process start with rezoning of City-owned properties?

PC Minutes

3-3-10

Wash stated that the slow economy is holding up for the 4-corners project, which includes the vacant lot and area behind the former Fire Station #2.

In response to a question regarding city-owned properties, Wash related that the city still owns the old fire station and is leasing space to a car detailing business.

Wash related that the civic parts of a downtown create interest with public and institutional uses, (i.e., the new fire station, senior meals, meetings, etc. in the mixed use building) create private sector investment.

Planner Wash stated that, as part of the new Walgreen's development, the DDA funded the new landscaped circle area, with the flagpole, brick monument sign, etc. Wash related that the current zoning for Standale does not allow a downtown design. The large front yard setback requirements do not allow "downtown" development. The city had to get a variance for the new fire station.

Pat Goodale asked if buildings in "Downtown Standale" are set back 100 feet? Wash stated that we have parts of a downtown set up now. The requirements are for "build to" lines rather than setbacks in the new SDD Ordinance.

Wash then reviewed the District Regulating Plan map, which shows the businesses located along Lake Michigan Dr. He related that the adjacent residential in-fill will take perhaps 10-15 years. The question is, what about the business district now?

There was discussion about existing setbacks in the DDA District. Wash related that the ordinance will fix and/or reduce some non-conformities in the district.

Wash again related that the decision options are as follows: A city sponsored mass rezoning to the SDD; Let individual property owners request a rezoning; or rezone the publicly- owned properties.

Chairman Hickey asked if the DDA will expand to the county line? Wash stated the district currently starts at the county line and extends to Manzana. The area master planned for downtown zoning is from Wilson to Kinney.

Member Huizenga stated that a city-sponsored zoning would be a focused approach to eventually create the "downtown feel". He felt that now is the time to do it.

Member Byle stated that people could be upset for fear of the future. He suggested that based on the we have one more meeting with the business owners prior to rezoning. Based on the outcome of the meeting, he would then agree with rezoning as a city-sponsored project.

Pat Goodale agreed that it would be good to do a city-sponsored rezoning.

Wash stated that business owners can use more of their properties with the new S.D.D. zoning district. The current setbacks are 100' and the parking requirements are greater than with the new ordinance.

Member Korfhage agreed that the public needs to be well informed. He agrees with the city-sponsored rezoning.

Member Byle reiterated the need for one more informational meeting before the city would initiate a rezoning.

Wash related that the S.D.D. Ordinance establishes approved uses in the district, as well as non-permitted uses in the district. Special land uses are noted. Wash related that the planning commission has the ability to clarify details on a site-by-site basis.

It was the consensus of the commission to be in favor of the city-sponsored rezoning.

Member Schweitzer asked what is envisioned for the "4-corners" city-owned property? Planner Wash stated that the building would be 4 stories on the corner and ending with 2 stories. An R.F.P. was conducted and approved in 2007.

Pat Goodale asked what if an "Auto Zone" wants to come in the middle of the district? Wash stated that there is a provision for a one-story building in the S.D.D. Ordinance. Architectural standards, including material types, signage, etc. with a new urban model would apply.

Member Schweitzer asked how solid the "required" service driveway is? Wash stated that service drives are required, except at the "4 corners" intersection.

Member Gornowich stated that she is not opposed to another informational session. However, as part of the rezoning process, there is a public hearing process. She asked if Planner Wash would foresee any amendments to the S.D.D? Planner Wash stated not at this time. Every ordinance should be checked over time for applicability.

Member Parent asked what the percentage of business owners were at the last informational meeting? Planner Wash stated that the upstairs room at Fire Station #2 was full.

Member Schweitzer asked if there was a timeframe to develop the city-owned property? Planner Wash stated that we have an approved RFP with a developer. We are just waiting for the economy to improve.

Motion by T. Byle, supported by C. Gornowich, to be in favor of holding another public meeting within the DDA district, prior to any rezoning action for the S.D.D. Ordinance. Motion carried 8-0.

### Billboards and the Master Plan

Planner Wash distributed a resolution from the Michigan State Transportation Commission that recommends the Michigan Legislature enact legislation that would prevent any new digital billboards from being installed until the Federal Highway Administration releases its study and findings. Wash stated that we are still waiting for the FHWA report.

Member Schweitzer handed out State House Bill No. 5580, which would put a moratorium in place until January 1, 2012, restricting any new digital billboards, consistent with the State Transportation Commission's resolution.

Wash reviewed a power point, including review of billboard spacing requirements as follows:

- 1,000' from "R" District
- 1,500' from "R" uses
- 2,000' from any other billboard
- 20' minimum setback from the freeway

Planner Wash then reviewed a REGIS aerial map identifying several lots on the east side of US-131 between Ann Street and I-96 along the Grand River. It was determined that these lots were owned by MDOT and are zoned single family residential. They have no future land use designation on the Walker Master Plan Map. Planner Wash recommended that the city amend the Master Plan Map and designate those properties as "Park/Open Space".

Member Schweitzer stated this will preserve scenic value to the area while limiting the potential for more billboards in the city.

Motion by C. Gornowich, supported by T. Byle, to begin the process of amending the Future Land Use Map of the Walker Master Plan to designate the subject properties along the Grand River as "Park/Open Space".

Motion by C. Gornowich, supported by T. Byle, to recommend that the city commission adopt a resolution in favor of HB 5580 and forward that resolution to our local legislators and the governor. Motion carried 8-0.

### Adjournment

Motion by A. Parent, supported by D. Brown, to adjourn at 8:30 p.m. Motion carried.

---

Administrative Approval

---

Carol Gornowich, Secretary  
Walker Planning Commission

PC Minutes  
3-3-10

**MINUTES OF  
WALKER HISTORICAL COMMISSION  
MARCH 9, 2010**

**PRESENT:** Carolyn Batema, Gary Carey, Mary Beth Kolenda, Donna Meeks, Stan Stek,  
Peg Wieber

**ABSENT:** Judy Powell, Cyndy Stek

The meeting commenced at 7:05 p.m.

**January Minutes:** Moved for approval by Gary Carey and seconded by Peg Wieber.

There was no meeting in February.

**Election of Officers:** Gary Carey makes a motion for Stan Stek to remain as chairman. Those present agreed. Peg Wieber agreed to remain as Secretary. There was a motion by Gary Carey that the Secretary and Treasurer positions be combined. Those present agreed. It was further motioned by Gary Carey that a vice chairman be named to fill in when the chairman cannot be present. Peg Wieber nominated Gary Carey for that position. Those present agreed.

**Fundraiser:** Gary reports he made a trip to Lansing to see what the hold up was with our license from the gaming commission. Gary talked to Catherine Henney at that office and learned a request was mailed to the city to obtain further documentation from the Walker Historical Commission. The WHC did not see the request, so was unaware of the needed documentation. Gary said he will make another trip to Lansing with the necessary information. He will report next month on the progress of the license.

**Advisory Update:** No update.

**ADA Project:** The \$5,000 from the CDBG still has to be finalized and we will move quickly to get the bids from contractors for the work to be done. Stan said anyone hired must show certification they comply with the Davis/Bacon Act. Stan will meet with Allen Pennington as whether the city will pick up the tab for the certification. That cost could be around \$2,000. WHC would like to get 2-3 bids for the ADA project. For the review and approval of the bids, we invite Scott Connors and Bonnie Broadwater along with Gary Carey to choose the one they deem appropriate.

The WHC has decided the handicap ramp should be placed at the north entrance. Other doors must be handicap accessible. This would include the east door, back door, bathroom door, kitchen door and bedroom door. The kitchen door is the original and will be used. There was discussion regarding a wrap around porch to replace the present one. More discussion on that later.

Stan asked Gary if there were many problems with the electrical part of the house. According to Scott and Bonnie it must all be redone from the box throughout the house.

Stan Stek and Scott Conners will be getting a bid package together. They will be looking at the list that Jeff Nelson made in 2008 when the DPW went through the Edison House Museum and checked the things that needed to be done. (repair, replace, update).

**The Tech Group:** Gary has reminded us of the \$5,000 designated for new windows. We agreed that the window in the bathroom needs to be replaced and perhaps a new one in the kitchen. We will look into some others that may need to be replaced.

**Walk Through:** Gary asks if any one of us would wish to take a walk through the house, since we have not done that in a while will be able to and he will email the WHC when that will take place.

**Communication:** Mary Beth suggest we keep in touch with each other through emails between our monthly meetings. We all agreed that the emailed agenda was very useful and appreciated.

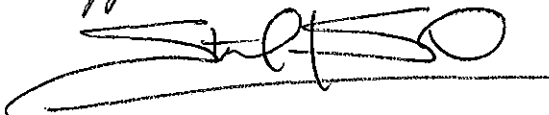

**Adjournment:** The meeting was adjourned at 8:35 p.m. by Mary Beth Kolenda and Donna Meeks.

**Next Meeting:** The next meeting of the Walker Historical Commission will be held on Tuesday, April 13, 2010 at 7.00 p.m.

DATED: March 16, 2010

FIRE STATION #2 BUILDING COMMITTEE MEETING MINUTES  
Monday, May 17, 2010  
5:00 PM

Present: Commissioner Kent, Commissioner Versluis, Commissioner Stek, Commissioner Deschaine, City Manager Vander Meulen, Assistant City Manager Schmalzel, DPW Director Mark Koning and Deputy Fire Chief Bob Walker.

Also Present: Jim Ryers, Wolverine Construction (formally Houseman Construction)

The meeting was called to order by Commissioner Kent at 5:00 PM.

Assistant City Manager Schmalzel reviewed with the Committee the reason for the meeting. He submitted a time line of events since the construction of the building in regards to water leakage and repairs. The contractor was present to help discuss their findings.

Jim Ryers stated that after discussing with Consumers Concrete they all feel that the masonry was manufactured without water repellant in it which is causing the water saturation and leakage. They can test to determine if this is correct with the test running approximately \$15-18,000. This is the same cost to seal the entire building with a penetrating sealer that will last 20-25 years. Their recommendation is to move forward with sealing the building. Costs will be covered by Consumers Concrete and Wolverine Construction.

The Committee discussed other possible side effects from the water damage, i.e. mold, and other repair work that needs to be done. Mr. Ryers stated that they will seal the building then return to repair all of the water damaged areas. They will also check all caulking while they are sealing.

The project will begin in the next few days with a test patch done and then a moisture test completed on the test area. The entire building should be sealed within two weeks, weather depending. Mr. Ryers assured the Committee that both companies are committed to resolving this problem and will not abandon the project.

The Committee requested that the City check with their attorney to determine what recourse we would have should this solution not work. Mr. Ryers is confident this will result in a better quality product than if the masonry had been made with the water repellant.

Meeting was adjourned at 5:50 PM

Respectfully submitted,

Shannon Bales  
Deputy City Clerk

**CITY COMMISSION  
CITY OF WALKER  
KENT COUNTY, MICHIGAN**

**ORDINANCE NO. 10-584**

AN ORDINANCE TO ADD NEW SECTIONS 50-51 AND 50-52 TO CHAPTER 50,  
ARTICLE I OF THE CODE OF ORDINANCES, CITY OF WALKER, MICHIGAN

THE CITY OF WALKER ORDAINS:

Section 1. Addition of Section 50-51. That the Code of Ordinances, City of Walker, Michigan, is hereby amended by adding a section, to be numbered 50-51, which such section reads as follows:

**Section 50-51. Contributing to neglect or delinquency of children;**

Any parent, legal guardian or other person having the care or custody of a minor child under the age of 17 years who shall by any act, or by any word, or by the failure to act, or by lack of supervision and control over the minor child, encourage, contribute toward, cause or tend to cause the minor child to become neglected or delinquent so as to come or tend to come under the jurisdiction of the juvenile division of the probate court, as defined by Act No. 54 of the Public Acts of Michigan of 1944, First Extra Session (MCL 712A.1 et seq.), and any amendments thereto, whether or not such child shall in fact be adjudicated a ward of the probate court, shall be guilty of a civil infraction.

Section 2. Addition of Section 50-52. That the Code of Ordinances, City of Walker, Michigan, is hereby amended by adding a section, to be numbered 50-52, which such section reads as follows:

**Section 50-52. Drugs and/or alcohol at open house parties.**

(a) *Purpose and intent.* The city commission finds that the unregulated use of alcohol and drugs by minors creates social problems in many communities throughout the United States, including the City of Walker, and the use of alcohol and drugs by minors can have devastating effects on not only the minors, but on the public at large, including, but not limited to, injuries caused by vehicles operated by persons under the influence of alcoholic beverages or drugs. Further, the city commission finds that adults can significantly alleviate alcohol and drug problems by assuming responsibility for open house parties which occur at their residences and/or at locations in their control. Therefore, this section is adopted for the purpose and with the intent of regulating the use of alcoholic beverages and drugs at open house parties.

(b) *Definitions.* For the purposes of this section, the following terms should be defined as set forth below:

*Adult* means a person 18 years of age or older.

*Alcoholic beverage* means any beverage containing one-half of one percent of alcohol or more by volume as specified in the Michigan Liquor Control Act, MCLA 436.1 et seq., as amended.

*Control* means any form of regulation or dominion, including a possessory right.

*Drug* means a controlled substance as defined now or hereafter by the Public Acts of Michigan.

*Minor* means a person not legally permitted by reason of age to possess alcoholic beverages pursuant to MCLA 436.33b as the same may be amended from time to time.

*Open house party* means a social gathering of persons at a residence or premises, other than the owner of the residence or premises, or those with rights of possession to the residence or premises or their immediate family members.

*Residence or premises* means a motel room, hotel room, home, apartment, condominium or other dwelling unit, including the property and premises of the same, or hall, meeting room or other place of assembly, whether occupied on a temporary or permanent basis, whether occupied as a dwelling or specifically for social functions and whether owned, leased, rented or used with or without compensation.

(c) *Adult responsibility.*

(1) No adult having control of any residence or premises shall allow an open house party to take place at the residence or premises if any alcoholic beverage or drugs are possessed or consumed at the residence or premises by any minor where the adult knew or reasonably should have known that any alcoholic beverage or drug was in the possession of or being consumed by a minor at such residence or premises, and where the adult failed to take reasonable steps to prevent the possession or consumption of the alcoholic beverage or drug at the residence or premises.

(2) No adult having control of any residence or premises shall allow an open house party to take place at the residence or premises that becomes so large or loud so as to disrupt the peace and dignity of the neighboring residences or premises, where the adult in control of the residence or premises knew or should have known that the house party was disturbing the neighboring residences or premises.

(d) *Exception.* The provisions of this section shall not apply to legally protected religious observances under the direct guidance of an ordained person.

(e) *Penalties.* Any person who shall be convicted of violating any of the provisions of this section shall be responsible for a civil infraction.

Section 3. Effective Date. That this Ordinance will become effective upon its publication in a newspaper in general circulation within the City of Walker as provided by law.

First reading: May 10, 2010

Second reading: May 24, 2010

Effective date: June 1, 2010

Commissioner\_\_\_\_\_, supported by Commissioner\_\_\_\_\_, moved the adoption of Ordinance No. 10-584.

Sarah Bydalek, Clerk

**CITY COMMISSION  
CITY OF WALKER  
KENT COUNTY, MICHIGAN**

**ORDINANCE NO. 10-585**

AN ORDINANCE TO AMEND CHAPTER 62, ARTICLES I AND II, SECTIONS 62-1 THROUGH 62-4, SECTIONS 62-31 THROUGH 62-43, AND SECTIONS 62-56 THROUGH 62-59; AND TO ADD A NEW SECTION 62-44 TO THE CODE OF ORDINANCES, CITY OF WALKER, MICHIGAN

THE CITY OF WALKER ORDAINS:

Section 1. Amendment of Section 62-1. That Chapter 62, Article I, Section 62-1 of the Code of Ordinances, City of Walker, Michigan, is amended to read in its entirety as follows:

Sec. 62-1. Definitions.

The following words, terms and phrases, when used in articles I and II of this chapter, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

*Approved incinerator* and *approved garbage grinder* mean incinerators and garbage grinders, respectively, which conform with all city ordinance requirements, are used exclusively to dispose of solid waste generated by the occupant of the site of generation on which they are located, and are consistent with the county solid waste management plan.

*Ashes* means the residue from the burning of wood, coal, coke, refuse, wastewater sludge, or other combustible materials.

*Board of public works* means the county board of public works established pursuant to the provisions of Act No. 185 of the Public Acts of Michigan of 1957 (MCL 123.731 et seq., MSA 5.570(1) et seq.), as amended.

*Combustible waste* means solid waste that is combustible in the MBI as shall be determined solely by the board of public works. "Combustible waste" shall include: (i) garbage; (ii) combustible rubbish, such as paper, cardboard, cartons, wood, boxes, rags, cloth, bedding, leather, grass, leaves and brush, yard trimmings, tree limbs, timber, logs, stumps six inches in diameter or less, carpeting, and combustible construction and demolition debris; and (iii) any other solid waste that is combustible in the MBI as shall be determined solely by the board of public works. "Combustible waste" shall exclude: (i) noncombustible solid waste, such as ashes, noncombustible rubbish, incinerator ash, incinerator residue, municipal and industrial sludges, animal waste, pathological and biological waste, asbestos and asbestos waste products, explosives, radioactive materials, appliances, concrete rubble, noncombustible construction and demolition debris, rock, gravel and earth materials, automobiles, trailers, equipment wire and cable; (ii) all waste other than solid waste, such as hazardous waste, site-separated materials, and source-separated materials; and (iii) any other type of waste that is noncombustible in the MBI, as shall be determined solely by the board of public works.

*Commercial operation date* means the date when the MBI has been completed and tested and is, in the sole opinion of the county, ready for full commercial operation.

*County* means the County of Kent, Michigan, acting by and through its board of commissioners or its department of public works.

*County solid waste management plan* means the county solid waste management plan approved by the city, the county board of commissioners, and by the director of the department of natural resources (or other state official as required by state law), pursuant to the provisions and requirements of the state Solid Waste Management Act, and any amendments to the plan adopted in accordance with that Act.

*Disposal site* means any of the following:

- (1) A solid waste transfer facility;
- (2) A single incinerator having an average daily design capacity exceeding 50 tons of solid waste per day or two or more incinerators located at one site under the control of one person and having an aggregate average daily design capacity exceeding 150 tons of solid waste per day;
- (3) A sanitary landfill;
- (4) A solid waste processing plant; or
- (5) Any other solid waste handling or disposal facility utilized in the disposal of solid waste.

*Garbage* means rejected food wastes, including waste accumulations of animal, fruit or vegetable matter used or intended for food or that attends the preparation, use, cooking, dealing in or storing of meat, fish, fowl, fruit or vegetables.

*Hazardous waste* means hazardous waste as defined in the state Hazardous Waste Management Act (Part 111 of Act 451 of the Public Acts of Michigan of 1994, as amended; MCL 324.11101 et seq., as amended (formerly Act No. 64 of the Public Acts of Michigan of 1979, as amended)).

*MBI* means the mass-burn steam energy-generating incinerator to be constructed by or on behalf of, or available by contract or lease with, the county within the City of Grand Rapids in accordance with the county solid waste management plan.

*Premises* means any enclosed area used for residential, commercial or industrial purposes, separately or in combination, to which a separate street address, postal address or box, tax roll description, or other similar identification has been assigned or is in use by a person having control of the area.

*Rubbish* means nonputrescible solid waste, excluding ashes, consisting of combustible and noncombustible waste, including paper, cardboard, metal containers, yard clippings, wood, glass, bedding, crockery, demolished building materials, or litter of any kind that may be a detriment to the public health and safety.

*Site of generation* means any premises in or on which solid waste is generated by any person.

*Site-separated materials* means recyclable materials (including, but not limited to, bottles, cans, newspapers, corrugated containers, metals, grass, leaves, brush and yard trimmings) that are separated from solid waste after collection from a site of generation by either a waste hauler or by the operators of a disposal site to which it is delivered.

*Solid waste* means garbage, rubbish, ashes, incinerator ash, incinerator residue, street cleanings, municipal and industrial sludges, solid commercial and solid industrial waste and animal waste; provided, however, that this definition shall not include hazardous waste, site-separated materials, source-separated materials, human body waste, liquid or other waste regulated by statute, ferrous or nonferrous scrap directed to a scrap metal processor or to a reuser of ferrous or nonferrous products, and slag or slag products directed to a slag processor or to a reuser of slag or slag products.

*Source-separated materials* means recyclable materials (including, but not limited to, bottles, cans, newspapers, corrugated containers, metals, grass, leaves, brush, and yard trimmings) that are separated from solid waste prior to the collection of solid waste from a site of generation.

*State Solid Waste Management Act* means Part 115 of Act 451 of the Public Acts of Michigan of 1994, as amended; MCL 324.11501 et seq., as amended (formerly Act No. 641 of the Public Acts of Michigan of 1978, as amended).

*Tipping fee* means the fee established by the board of public works to be charged upon delivery of combustible waste to the MBI.

*Transporting vehicle* means any vehicle used for the purpose of collecting, transporting, delivering or disposing of solid waste.

*Waste hauler* means any person engaged, in whole or in part, in the business of collecting, transporting, delivering or disposing of solid waste within the city.

Section 2. Amendment of Section 62-2. That Chapter 62, Article I, Section 62-2 of the Code of Ordinances, City of Walker, Michigan, is amended to read in its entirety as follows:

Sec. 62-2. Receptacles.

(a) Every person shall keep, within the lot line of his premises, a suitable receptacle for depositing solid waste and shall not litter his premises with such materials.

(b) The occupant of any premises or the person responsible for any premises within the city in which any solid waste shall be accumulated which is not disposed of by an approved incinerator or an approved garbage grinder shall maintain on the premises one or more solid waste containers with suitable tightly fitted covers, which shall be kept in a reasonably clean condition, shall be rodent proof, and shall be located in a convenient place to facilitate the proper collection of solid waste.

Section 3. Amendment of Section 62-3. That Chapter 62, Article I, Section 62-3 of the Code of Ordinances, City of Walker, Michigan, is amended to read in its entirety as follows:

Sec. 62-3. Identification of solid waste containers.

(a) A solid waste container having a capacity of at least one-half cubic yard shall be plainly marked with the name and current street address or the name and current telephone number of the waste hauler which collects solid waste from or transports solid waste within the solid waste container. The name and current street address or the name and current telephone number of the waste hauler shall be plainly marked in letters and figures not less than three inches in height.

(b) The waste hauler collecting solid waste from or transporting the solid waste container having a capacity of at least one-half cubic yard shall be responsible for complying with this section. It shall be a violation of this section for any waste hauler to collect solid waste from or to transport such a solid waste container unless the solid waste container has been marked in compliance with this section.

(c) For purposes of this section, "solid waste container" means a container or receptacle designed or used for depositing, storing, or accumulating solid waste for collection or transportation by a waste hauler. Without limitation, this definition shall include dumpsters,

packer boxes, and roll-offs or other receptacles designed or used to store solid waste or to transport solid waste from a site of generation.

Section 4. Amendment of Section 62-4. That Chapter 62, Article I, Section 62-4 of the Code of Ordinances, City of Walker, Michigan, is amended to read in its entirety as follows:

Sec. 62-4. Littering.

(a) No person shall place, deposit, throw, scatter or leave in any street, highway, lane, alley, public place or square, or on the private property of another, any solid waste, dead animals or other noxious or unsightly materials.

(b) No person shall place, deposit, throw, scatter or leave in any street, alley or public place any tacks, screws, nails, glass, metal scraps, metal shavings or other sharp or dangerous materials. No person shall convey or transport junk, broken glass, scrap metal, metal shavings or other sharp or dangerous material in any form over the public streets or alleys of the city, unless the same shall be contained in a box or other receptacle so constructed that such junk, glass, metal or other material cannot fall through the receptacle or over the sides of such receptacle onto the public streets or alleys of the city.

(c) No person shall transport or dump any solid waste in such a manner as to cause the littering of any stream, public way or public place, or the private property of another, or to cause the obstruction of any ditch, drain, culvert or gutter.

(d) No person shall place, deposit, drop, throw, track or leave or cause to be placed, deposited, thrown, dropped, tracked or left on any street, highway, lane, alley or sidewalk any clay, dirt, sand, gravel, rock, or other substance in such a manner which will cause, tend to cause, contribute to, or be likely to contribute to the injury or danger of injury to any person, animal or vehicle or to cause any other unsafe condition on any highway, lane, alley, or sidewalk within the city. No person who places, deposits, drops, throws, tracks or leaves any clay, dirt, sand, gravel, rock, or any other substance or causes the same to be placed, deposited, dropped, thrown, tracked or left on any street, highway, lane, alley or sidewalk in violation of this subsection shall fail to immediately remove the same or cause it to be removed.

Section 5. Amendment of Section 62-31. That Chapter 62, Article II, Division 1, Section 62-31 of the Code of Ordinances, City of Walker, Michigan, is amended to read in its entirety as follows:

Sec. 62-31. Compliance with article.

No person shall use any transporting vehicle within the city except in compliance with the provisions of this article; provided, however, that a vehicle used by an individual to transport solid waste from his household and not for hire need not comply with the provisions of sections 62-34, 62-35 and 62-36, but such person shall be required to tightly cover and secure the load, so that no part thereof shall be lost, and the load shall not be emptied in the city except as provided in sections 62-42 and 62-43.

Section 6. Amendment of Section 62-32. That Chapter 62, Article II, Division 1, Section 62-32 of the Code of Ordinances, City of Walker, Michigan, is amended to read in its entirety as follows:

Sec. 62-32. Compliance with laws, rules and regulations.

Waste haulers shall comply with the county solid waste management plan and all applicable federal, state, and local laws, statutes, ordinances, rules and regulations (including, but not limited to, the state Solid Waste Management Act and administrative rules promulgated pursuant to the Act) in the collection, transportation, delivery and disposal of combustible waste. Waste haulers shall also comply with all rules and regulations of the board of public works for the administration and operation of the MBI (including, without limitation, rules and regulations prohibiting delivery of loads consisting primarily of unacceptable waste as solely determined by the board of public works acting through its designated representatives) and other disposal sites of the county refuse system. To the extent of any conflict between these laws, statutes, ordinances, rules and regulations, the more restrictive shall be deemed to control.

Section 7. Amendment of Section 62-33. That Chapter 62, Article II, Division 1, Section 62-33 of the Code of Ordinances, City of Walker, Michigan, is amended to read in its entirety as follows:

Sec. 62-33. Municipal civil infractions.

A violation of any provision of this article or article I of this chapter is a municipal civil infraction. The civil fine for a violation of sections 62-42 or 62-43 shall be as follows:

TABLE INSET:

First offense	Not less than \$2,000.00 (plus costs)
First repeat offense	Not less than \$5,000.00 (plus costs)
Second or any subsequent repeat offense	Not less than \$10,000.00 (plus costs)

The civil fines for all other violations of this article or article I of this chapter shall be as follows:

TABLE INSET:

First offense	Not less than \$100.00 (plus costs)
First repeat offense	Not less than \$500.00 (plus costs)
Second or any subsequent repeat offense	Not less than \$1,000.00 (plus costs)

For purposes of this article and article I of this chapter, a "repeat offense" means a second (or subsequent) municipal civil infraction violation of the same requirement or provision (i) committed by a person within any five-year period and (ii) for which the person admits responsibility or is determined to be responsible. Each day that a violation occurs shall be deemed a separate offense and shall be subject to sanctions as a separate offense. In addition to municipal civil infractions and any other remedies available at law, the city may bring an action for an injunction or other process against a person to restrain, prevent, or abate any violation of this chapter. In addition, a violation of any provision of this article or article I of this chapter shall be cause for revocation of a waste hauler license.

Section 8. Amendment of Section 62-34. That Chapter 62, Article II, Division 1, Section 62-34 of the Code of Ordinances, City of Walker, Michigan, is amended to read in its entirety as follows:

Sec. 62-34. Required markings on vehicles.

Any transporting vehicle shall have the name of the waste hauler and its address and telephone number plainly marked upon both sides of the vehicle, in letters and figures three inches or more high.

Section 9. Amendment of Section 62-35. That Chapter 62, Article II, Division 1, Section 62-35 of the Code of Ordinances, City of Walker, Michigan, is amended to add the following new Article VI, Section 18-190 to read in its entirety as follows:

Sec. 62-35. Construction requirements for vehicles with compaction units.

Transporting vehicles with compaction units must meet the following requirements:

- (a) The load carrying portion of the vehicle shall be equipped with a unit for compacting, and shall be totally and permanently enclosed and of welded steel construction. Articulated units need not provide compacting devices in those instances where the portion of the vehicle designed to hold or contain the solid waste is an independent transportable unit designed to be replaced rather than emptied at the premises.
- (b) Such vehicles shall be of tight fitting construction and of a design to form a totally enclosed body or unit.
- (c) Such vehicles shall be equipped so that all loading and unloading openings on the body have tight fitting doors or covers fitted with latches or clamps and rubber or other suitable gaskets to form a spill proof, leak proof and dust proof enclosed body or unit.
- (d) All vehicles used in the transportation of solid waste shall comply at all times with any applicable federal or state transportation or safety laws (e.g., Department of Transportation, etc.).

Section 10. Amendment of Section 62-36. That Chapter 62, Article II, Division 1, Section 62-36 of the Code of Ordinances, City of Walker, Michigan, is amended to read in its entirety as follows:

Sec. 62-36. Construction requirements for open body vehicles.

The solid waste carrying portion of all open body transporting vehicles shall be of steel construction to a minimum height of two feet and designed to prevent the accidental discharge of its contents. Built-up walls of open body transporting vehicles shall be free of any gaps or spaces, and shall be of steel construction. Any such unit or vehicle shall have a suitable cover which prevents the loss of the vehicle's contents and which is not easily torn, shredded, or broken under normal use. All vehicles used in the transportation of solid waste shall comply at all times with any applicable federal or state transportation or safety laws (e.g., Department of Transportation, etc.).

Section 11. Amendment of Section 62-37. That Chapter 62, Article II, Division 1, Section 62-37 of the Code of Ordinances, City of Walker, Michigan, is amended to read in its entirety as follows:

Sec. 62-37. Cleaning of vehicles.

A transporting vehicle shall be cleaned at intervals frequent enough to maintain it in a sanitary condition and free from disagreeable odor and to prevent a nuisance or vermin attraction.

Section 12. Amendment of Section 62-38. That Chapter 62, Article II, Division 1, Section 62-38 of the Code of Ordinances, City of Walker, Michigan, is amended to read in its entirety as follows:

Sec. 62-38. Parking and storing restrictions for vehicles.

A transporting vehicle shall not be parked in an AA, A, A-2, SA, S, ARM, ARM District One or RMT zoning district longer than necessary to collect solid waste and shall not be parked, stored or established at any location so as to cause a nuisance or hazard or in violation of chapter 94 of this Code.

Section 13. Amendment of Section 62-39. That Chapter 62, Article II, Division 1, Section 62-39 of the Code of Ordinances, City of Walker, Michigan, is amended to read in its entirety as follows:

Sec. 62-39. Openings to be closed and covers secured on vehicles; special covers.

A transporting vehicle shall have all openings closed and all doors or covers secured by an adequate latch or restraining mechanism to keep them closed while transporting solid waste. It shall be the responsibility of the driver of the transporting vehicle and the waste hauler (if different) to ensure that the available cover is in the proper position. Special covering shall be used where conditions require control of odor, vermin, liquids, dust or smoke.

Section 14. Amendment of Section 62-40. That Chapter 62, Article II, Division 1, Section 62-40 of the Code of Ordinances, City of Walker, Michigan, is amended to read in its entirety as follows:

Sec. 62-40. Overloading of vehicles prohibited.

The solid waste carrying part of any transporting vehicle shall not be filled beyond its capacity and such vehicles shall otherwise be loaded in a manner to minimize the spillage of materials.

Section 15. Amendment of Section 62-41. That Chapter 62, Article II, Division 1, Section 62-41 of the Code of Ordinances, City of Walker, Michigan, is amended to read in its entirety as follows:

Sec. 62-41. Duty of driver in case of spillage or intentional dumping of load.

- (a) Where spillage occurs from any transporting vehicle, the material shall be picked up immediately, and the area suitably cleaned.
- (b) Where solid waste is purposely dumped from a transporting vehicle due to hot load or fire, the fire shall be immediately extinguished by the most effective means and the area properly cleaned as soon as reasonably possible.
- (c) It shall be the responsibility of the driver or person in charge of a transporting vehicle to comply with the provisions of this section.

Section 16. Amendment of Section 62-42. That Chapter 62, Article II, Division 1, Section 62-42 of the Code of Ordinances, City of Walker, Michigan, is amended to read in its entirety as follows:

Sec. 62-42. Disposal of solid waste and combustible waste.

- (a) No person shall dispose of solid waste other than by means of an approved incinerator or approved garbage grinder, or by collection by a licensed waste hauler; provided, however, that any individual may dispose of solid waste from his own household:
  - (1) Upon the individual's own land, so long as the disposal does not create a nuisance or hazard to health, in accordance with Section 11520(2) of the state Solid Waste Management Act (MCL 324.11520(2)); or
  - (2) By personally transporting the solid waste to an approved sanitary landfill, but only in accordance with rules and regulations pertaining thereto and the county solid waste management plan. No individual transporting any solid waste in accordance with this section shall fail to securely cover and secure the load so that no part of such load shall be lost while being transported.
- (b) Commencing on the commercial operation date, all combustible waste collected or transported by waste haulers from a site of generation within the city shall be disposed of only in accordance with section 62-43. Prior to the commercial operation date, all combustible waste collected or transported by waste haulers from a site of generation within the city shall be disposed of only at disposal areas approved by the city manager, which may include solid waste processing plants, sanitary landfills, solid waste transfer stations, or other solid waste facilities, such as are consistent with the county solid waste management plan.

(c) All solid waste other than combustible waste collected or transported by waste haulers from a site of generation within the city shall be disposed of only at disposal areas approved by the city manager, which may include solid waste processing plants, sanitary landfills, solid waste transfer stations or other solid waste facilities, such as are consistent with the county solid waste management plan.

Section 17. Amendment of Section 62-43. That Chapter 62, Article II, Division 1, Section 62-43 of the Code of Ordinances, City of Walker, Michigan, is amended to read in its entirety as follows:

Sec. 62-43. Delivery of combustible waste.

(a) Commencing on the commercial operation date and at all times thereafter, waste haulers shall:

- (1) Deliver to the MBI all combustible waste collected or transported from a site of generation within the city; and
- (2) Pay the tipping fee for delivery of such waste at the MBI, unless otherwise provided by contract between the city and the waste hauler.

Commencing on the commercial operation date and at all times thereafter, no waste hauler shall deliver combustible waste collected or transported from a site of generation within the city to any disposal site other than the MBI.

(b) Waste haulers shall deliver to the MBI all combustible waste regardless of whether the combustible waste is transported in the same load or vehicle as solid waste which is not combustible waste. This requirement shall be absolute and unconditional unless the board of public works, acting through its designated representatives, has made a prior written determination that a specific load of waste consists primarily of waste which would not be accepted for delivery at the MBI. Such a written determination of the board of public works shall not be applicable to waste collected from any site of generation, any load or vehicle, any waste hauler or any facts or circumstances other than those expressly identified in the written determination.

(c) Waste haulers shall not deliver combustible waste to a site for site separation of recyclable materials unless the board of public works, acting through its designated representatives, after request of the waste hauler, has made a prior written determination that such delivery does not violate this section. Such a written determination shall not be applicable to waste collected from any site of generation, any load or vehicle, any waste hauler, or any facts or circumstances other than those expressly identified in the written determination. A written determination pursuant to this section shall not relieve the waste hauler from the obligation to deliver to the MBI all combustible waste remaining in a load after site separation of recyclable materials.

(d) Waste haulers shall not deliver hazardous waste to the MBI.

(e) Notwithstanding any other provision of this chapter, waste haulers shall not be prohibited from transporting combustible waste collected from a site of generation within the city for disposal at any disposal site located outside of the state.

Section 18. Addition of Section 62-44. That Chapter 62 of the Code of Ordinances, City of Walker, Michigan, is amended to add the following new Article II, Division 1, Section 62-44 to read in its entirety as follows:

Sec. 62-44. Waste Hauler Operations.

- (a) Each employee authorized to drive a waste hauler's transporting vehicle shall obtain and carry a valid driver's license for the type of vehicle they are driving.
- (b) A waste hauler shall provide the service of collecting, transporting, hauling or removing solid waste at least once each week for each customer and shall have available at all times at least one extra vehicle which may be immediately brought into service in the city to ensure prompt service in the event of equipment failure.
- (c) A waste hauler shall pay any judgment which may be obtained against the city and its officers and employees, alone or jointly with the waste hauler, because of any injury or damage to persons or property caused or alleged to have been caused by the waste hauler. The waste hauler shall intervene and defend any such suit or action upon written notice from the city.

Section 19. Amendment of Section 62-56. That Chapter 62, Article II, Division 2, Section 62-56 of the Code of Ordinances, City of Walker, Michigan, is amended to read in its entirety as follows:

Sec. 62-56. Required; duration.

No person shall engage in the business of collecting, transporting, delivering or disposing of solid waste in the city without first obtaining, in addition to a general business license as provided for in chapter 22, article I, a waste hauler license issued by the city clerk in accordance with sections 62-57 through 62-58. Commencing on July 1, 2009, all licenses shall authorize the operation of solid waste hauling from the date of issuance or the following January 1, whichever is later, until the following December 31. Thereafter, annual licenses shall be issued for the period of January 1 until December 31 (calendar year) and applicants for renewal of a license must submit applications by the preceding December 1. It shall be an express condition of any license issued that the waste hauler shall comply with all provisions of this Code.

Section 20. Amendment of Section 62-57. That Chapter 62, Article II, Division 2, Section 62-57 of the Code of Ordinances, City of Walker, Michigan, is amended to read in its entirety as follows:

Sec. 62-57. Application.

Every person required to obtain a waste hauler license shall make application to the city clerk on forms provided by or prescribed by the city clerk. The application shall contain all pertinent information required under this article or such other information as shall be reasonably required by the city from time to time. At a minimum, the information shall include the following:

- (a) A description of the service to be rendered.
- (b) Where the transporting vehicles used to provide waste hauling services will be parked at night.

- (c) Copies of certificates of insurance which comply with the limits specified in this article.
- (d) Identification of the ownership of the waste hauler, if not a natural person, including the names and addresses and other primary business affiliations of all persons with one percent or more ownership interest and the ultimate controlling natural persons and all of the officers and directors.
- (e) An indication of whether the waste hauler, or any entity controlling the waste hauler, including any officer or major stockholder of a corporation, has been adjudged bankrupt, has had a waste hauler license revoked, or has been found guilty by any court or administrative agency of a felony or any other crime involving moral turpitude. The waste hauler shall further identify any such person or entity and fully explain the circumstances.
- (f) A demonstration of the waste hauler's technical, legal and financial ability to operate the proposed service.
- (g) A description of the physical assets to perform the services, including trucks and truck maintenance facilities, etc.
- (h) Information as necessary to demonstrate compliance with all relevant requirements contained in this article.
- (i) An affidavit of the waste hauler or its duly authorized officer, certifying, in a form acceptable to the city, the truth and accuracy of the information contained in the application and acknowledging the enforceability of application commitments.
- (j) In the case of a waste hauler with an existing license seeking a renewal, a demonstration that the waste hauler has substantially complied with the material terms of the existing license and with the applicable law.

Section 21. Amendment of Section 62-57.1. That Chapter 62, Article II, Division 2, Section 62-57.1 of the Code of Ordinances, City of Walker, Michigan, is amended to read in its entirety as follows:

Sec. 62-57.1. Insurance.

No license shall be issued to a waste hauler unless the waste hauler demonstrates its ability to comply with the following requirements:

(a) Each applicant for a waste hauler license shall obtain and maintain during the term of the license:

(1) Contractor's motor vehicle insurance in the minimum amounts of \$100,000.00 per person and \$300,000.00 per accident for bodily injury, and \$100,000.00 for property damage, or a combined single limit coverage of at least \$300,000.00;

(2) General comprehensive public liability insurance indemnifying, defending and saving harmless the city, its officers and employees, from any claims by any person or entity for any injury or death caused or alleged to have been caused by the waste hauler. The minimum liability coverage shall be \$1,000,000.00 per occurrence, and \$3,000,000.00 in the aggregate; and,

(3) Property damage insurance indemnifying, defending, and saving harmless the city, its officers and employees, from any claims by any person or entity for property damage, specifically including any claims for environmental contamination or release of hazardous waste.

or the unlawful disposal of any solid waste, caused or alleged to have been caused by the waste hauler. The minimum liability coverage shall be \$1,000,000.00 per occurrence, and \$3,000,000.00 in the aggregate.

The policy or policies described in subsections (a)(2) and (a)(3) shall list the city as an additional named insured and shall prohibit cancellation or revocation without a minimum 30 day advance written notice to the city. Certificates of the policy or policies shall extend through the full license period (through June 30) or be immediately renewed so as to avoid any lapse in coverage during the license period. Proof of renewal shall be furnished to the city at least ten days prior to the insurance expiration date.

(b) Each waste hauler licensed at the time of the effective date of this section of the Code shall comply with the requirements of subsection (a) above not later than December 31, of each year. Failure to comply with these insurance requirements on or before December 31, of each year, shall be sufficient grounds to revoke a waste hauler's license as provided in this chapter.

Section 22. Amendment of Section 62-58. That Chapter 62, Article II, Division 2, Section 62-58 of the Code of Ordinances, City of Walker, Michigan, is amended to read in its entirety as follows:

Sec. 62-58. Approval or denial.

(a) Upon receipt of an application for a waste hauler license and payment of a nonrefundable application fee established by resolution of the city commission, the city clerk shall forward the application to the city manager, who shall grant or deny the waste hauler license. If approved, the city clerk shall issue the waste hauler license upon payment of an annual fee established by resolution of the city commission. The city manager may deny the issuance of a waste hauler license for any of the following reasons:

- (1) Failure of the applicant to comply with this article or any other provision of this Code.
- (2) Violations of this article or any other provision of this Code.
- (3) Prior criminal convictions, other than minor traffic offenses, or prior license revocation, when such criminal conviction or license revocation bears on the ability of the applicant to serve the public as a waste hauler in a fair, honest, safe and lawful manner.
- (4) Misrepresentation of any material fact in the application for the license.

(b) If the waste hauler license is denied, the city manager shall make written findings of fact in support of the denial based on the standards described in subsection (a). The applicant may appeal such denial to the city commission by filing a written request for an appeal with the city manager within five business days following receipt of notification of denial. In the event of an appeal, the city commission shall hold a public hearing on such denial and shall have the power to reverse, affirm or modify the decision of the city manager. The city commission shall, in its determination, make written findings of fact supporting its decision and such reasons shall be based upon the standards described in this section. The determination of the city commission shall be final.

Section 23. Amendment of Section 62-59. That Chapter 62, Article II, Division 2, Section 62-59 of the Code of Ordinances, City of Walker, Michigan, is amended to read in its entirety as follows:

Sec. 62-59. Revocation.

(a) Any waste hauler license granted pursuant to this article may be revoked by the city manager for any of the reasons for denial of such license in section 62-58. The city manager shall make written findings of fact in support of any license revocation.

(b) A person shall have the right to a hearing before the city commission on any license revocation by the city manager provided that a written request therefore is filed with the city manager within five business days after receipt of notice of such revocation. If such written request is filed with the city manager, the commission shall hold a public hearing on such revocation and shall have the power to reverse, affirm or modify the decision of the city manager. The city commission shall, in its determination, make written findings of fact supporting its decision based on the same reasons required to be applied by the city manager. The determination of the city commission shall be final.

Section 24. Effective Date. That this Ordinance will become effective upon its publication in a newspaper in general circulation within the City of Walker as provided by law.

**CITY COMMISSION  
CITY OF WALKER  
KENT COUNTY, MICHIGAN**

**ORDINANCE NO. 10-586**

**AN ORDINANCE TO AMEND CHAPTER 82, ARTICLE VI,  
SECTION 82-102 OF THE CODE OF ORDINANCES, CITY  
OF WALKER, MICHIGAN, ENTITLED "REGULATION  
OF PUBLIC PARKING LOTS; TOW-AWAY ZONES"**

The City of Walker Ordains:

Section 1.     Amendment of Chapter 82. That Chapter 82, Article VI, Section 82-102 of the Code of Ordinances, City of Walker, Michigan, is amended to read in its entirety as follows:

Sec. 82-102. Regulation of public parking lots; tow-away zones.

(a) The chief of police may determine controls of the movement of vehicles and pedestrians and the stopping, standing, or parking of vehicles in public parking lots including, without limitation, the designation of tow-away zones where parking is restricted or prohibited. The chief of police shall direct the placement and maintenance of whatever traffic-control devices are necessary to give notice of the controls determined to be necessary.

(b) Tow-away zones may be designated by the chief of police in public parking lots by posting signs which read "tow-away zone." Such signs shall be posted independently or as an extra panel attached below the posted signs which prohibit or restrict parking at the location.

(c) A police officer may immediately remove a vehicle from a public parking lot and impound the vehicle if a vehicle is found parked in violation of a traffic-control device in a tow-away zone designated by the chief of police under this article. A police officer who impounds a vehicle under this section shall follow the same procedures for impounding a vehicle parked in a tow-away zone under the Uniform Traffic Code.

Section 2.     Severability. The phrases, sentences, sections and provisions of this Ordinance are severable. The findings that any portion is unconstitutional or otherwise unenforceable shall not detract from or affect the enforceability of the remainder of this Ordinance.

Section 3.     Effective Date. This Ordinance shall take effect upon its publication.
