GENERAL INFORMATION

WHO MUST FILE A RETURN

Every resident or part-year resident of Walker who had taxable income in 2006 of \$750 or more must file a return by April 30, 2007. See Taxable Income paragraph below. Married persons may file either a joint return or separate returns.

If you do not meet the requirements for filing a return but Walker tax was withheld or estimated tax was paid, you must file to receive a refund.

WHO MUST USE THIS FORM

Full-year resident - If you were a resident of Walker during all of 2006 and had taxable income, you must use this form (W-1040R). All taxable income while a resident of Walker must be reported on this form, regardless of the source of the income. (See Taxable Income paragraph)

Part-year resident who worked in Walker as both a resident and a nonresident - In addition to filing a resident form, individuals who had income subject to the Walker tax both as a resident and as a nonresident must fill out and attach a Schedule L. Schedule L will be furnished on request and is necessary to compute the tax on those items of income that are taxed differently to residents and nonresidents. Do not use Schedule L unless you had income subject to the Walker tax both as a resident and as a nonresident.

Indicate to the left of the dollar amount entered on line 7 that such amount has been transferred from Schedule L. Do not fill in lines 1 through 6 on the front of the form.

Part-year resident who did not work in Walker as a nonresident - Do not use Schedule L if you were a part-year resident of Walker and did not work in Walker during the part of the year that you lived outside of Walker. Report on this form only your taxable income while a resident, regardless of the source of the income. Show the period you were a resident and your former address in the spaces provided.

EXTENSION OF TIME TO FILE

The due date of this return may be extended for a period not to exceed six months. **When a city extension is granted, tentative tax must be paid by April 30, 2007.** Applications for extensions are available from the Walker City Income Tax Department.

Applying for a Federal extension does not satisfy the requirement to file a Walker extension.

TAXABLE INCOME

Walker residents are required to report the same kinds of taxable income on their city return as they report on their federal return, **with the following exceptions:**

- Gifts, inheritances and bequests are not taxable income.
- Pensions (including disability pensions), social security, annuities, IRA distributions after age 59 ½, and rollover of amounts from IRA's to ROTH IRA's are not taxable income.
- Proceeds of insurance (except that payments from a health and accident policy paid for by your employer are taxable to the same extent as provided by the Internal Revenue Code).
- Unemployment compensation and supplemental unemployment benefits are not taxable income.
- Interest from obligations of the United States, the states, or subordinate units of government of the states, and gains or losses on the sales of obligations of the United States are not taxable income.
- Military pay of members of the National Guard and the Armed Forces of the United States including Reserve pay is not taxable income. Attach a copy of your military W-2.
- Michigan State Lottery prizes won before January 1, 1988 are not taxable income. Michigan State Lottery prizes won after December 31, 1987 are taxable income.

DECLARATION OF ESTIMATED TAX

If you expect that your Walker income in 2007 not subject to withholding will be more than \$10,000 after deductions (\$100 in tax), you must file a Declaration of Estimated Tax (form W-1040ES) for 2007 by April 30, 2007 and pay at least one-fourth (1/4) of the estimated 2007 tax with your Declaration. The three remaining payments are due at the end of June, September and January.

Failure to file a Declaration of Estimated Tax and make the required payments will result in the assessment of penalty and interest for the late payment of tax. To avoid penalty and interest charges, you must pay in through withholdings and/or quarterly estimated payments at least 70% of your current year or prior year liability, whichever is lower.

If at any time during the year your income increases to such a level that one hundred dollars tax or more will be due at the end of the year, a Declaration of Estimated Tax must be filed.

The Declaration of Estimated Tax Forms W-1040ES (quarterly estimated vouchers for 2007) are included in this booklet.

HOW TO FILE

Your annual return for the preceding year may be used as the basis for computing your declaration of estimated income tax for the current year. You may use the same figures used for estimating your federal income tax adjusted to exclude any income or deductions not taxable or permissible under the Walker Income Tax Ordinance.

WITHHOLDING TAX CREDITS AND OTHER CREDITS

Withholding Tax Credit - If your employer withholds Walker tax from your wages, you may subtract from your estimate of Walker Income Tax the amount of tax expected to be withheld by your employer from your wages.

Income Tax Paid by Partnership - If you are a member of a partnership which elects to file a return and pay the tax on behalf of its partners, you may subtract from your estimate of Walker Income Tax the amount of income tax expected to be paid by the partnership for your distributive share of net profits.

INCOME TAX PAID TO ANOTHER MUNICIPALITY - If you are a resident of Walker and pay income tax to another municipality on income earned outside of Walker you may subtract from your estimate of Walker Income Tax the amount of income tax expected to be paid to the other municipality. The credit may not exceed the amount of tax assessable under the Walker Income Tax Ordinance on the same income.

PENALTIES AND INTEREST

If the total amount of tax withheld or paid by Declaration is less than seventy percent (70%) of the final tax due, interest and penalties will be charged. The filing of a declaration of estimated tax does not excuse the taxpayer from filing an annual return even though there is no change in the declared tax liability.
