Married persons may file either a joint return or separate returns. The total Walker income of both spouses must be included on a joint return, and each spouse must sign the return.

If you do not meet the requirements for filing a return but Walker tax was withheld or estimated tax was paid, you must file a return to receive a refund.

Every trust or estate with gross income of \$750 or more subject to Walker tax must file a Walker Schedule G with Form W-1040NR. Schedule G is available from the Walker City Income Tax Department.

Individuals who were nonresidents of the City of Walker during the entire year and worked in Walker must use this form.

An individual who was a resident of Walker during any part of the year must file form W-1040R (Resident form).

### DECLARATION OF ESTIMATED TAX

The three remaining payments are due at the end of June, September and January.

**Failure to file a Declaration of Estimated Tax and make the required payments will result in the assessment of penalty and interest for the late payment of tax.**

To avoid penalty and interest charges, you must pay in through withholdings and/or quarterly estimated payments at least 70% of your current year or prior year liability, whichever is lower.

If at any time during the year your income increases to such a level that one hundred dollars tax or more will be due at the end of the year, a Declaration of Estimated Tax must be filed.
